

May 1

2016

SPOTER offers you a wide range of quality Car Care and enabled IT products which will serve almost every purpose as required. Our products maintain international standards.

**SERVER Training
Manual V1.2.1**

1. OPEN SERVER 1

The screenshot shows a web browser window with the URL `spoter.in`. The website header includes the SPOTER logo with the tagline "WE CARE YOUR VEHICLE", a search bar, and a navigation menu. The navigation menu has items: HOME, ABOUT, PRODUCTS, DISTRIBUTORS, CONTACT US, SUPPORT, and SERVERS. The SERVERS dropdown menu is open, showing a list of servers from SERVER - 1 to SERVER - 6. A red arrow points to SERVER - 1. The background of the website features a white SUV driving on a road. At the bottom of the page, there is a red heading "WELCOME TO SPOTER VEHICLE TRACKING SYSTEM" and a paragraph of text. A notification bar at the bottom right says "We are offline - Send us an email". The Windows taskbar at the bottom shows the date and time as 11:20 AM on 7/8/2016.

WELCOME TO SPOTER VEHICLE TRACKING SYSTEM

Our vehicle tracking system combines the use of automatic vehicle location in individual vehicles with software that collects these fleet data to provide a comprehensive picture of vehicle locations. Our vehicle tracking systems commonly use GPRS technology for connectivity.

We are offline - Send us an email
